

# **Avon & Somerset Faith Communities Major Emergency Plan**

## ***A multi-faith response to a major incident***

### ***Introducing the Major Emergency Plan***

From fire to flooding or the risk of nuclear calamity to terrorist attack, the Avon & Somerset area is as vulnerable as any other part of the country. When disaster strikes there is a unique rôle for faith communities in the provision of care, comfort and support for victims. Tried and tested, the Avon and Somerset MEP exists to provide that response whenever and wherever it may be needed.

Participation in the plan is open to leaders of faith communities or their nominated representatives. Introductory days are held each year for potential volunteers to familiarise themselves with the plan and explore the various opportunities for involvement.

***Please join us for our next familiarisation day:***
