

# SWAN

*together in the south west  
for world outreach*

**Church Breakfasts Autumn 2017**  
**[www.swantgether.com](http://www.swantgether.com)**

You are invited to join us for our autumn breakfasts.

With many thousands of Muslims living in our communities our speakers will enable us to consider how to better befriend Muslims and how local churches and individuals can respond to the needs on our doorstep and worldwide. Network and hear from local practitioners, with years of experience, and learn how to share Jesus more effectively with Muslim friends.

The morning also includes breakfast from 7.30am (pastries and bacon rolls), information from mission organisations involved in befriending Muslims locally and globally, and time for prayer and fellowship.
