

An international Christian charity working across the world to help by offering welfare and practical support to seafarers, their families and their communities.

With over 90% of our goods arriving by sea, we need to offer our support to this often forgotten workforce.

We can offer:

- **Talks and Presentations for small and large groups**
We have a team of Public Engagement Officers who are available to give talks with many fascinating stories from real life encounters with Seafarers.
- **Resources**
Prayer diaries – Prayer meetings - videos - children's worksheets
- **Volunteering opportunities**
From ship visiting to Knitting!!
- **Opportunities to participate in challenging events such as Ride for London and the London Marathon**
Our events team offer Bucket-list experience, networking, team building, PR and corporate social responsibility opportunities.
- **Shared fundraising and recycling schemes**
We have a growing emphasis on partnering with supporters for mutual benefit

• **an ethically sourced brand of coffee**

BySea coffee represents a sea change in coffee with 100 per cent of profits supporting the charity's work with seafarers and their families around the world. Ethically sourced and socially responsible, we have blends from India and Brazil, specifically chosen as the charity is expanding its work in these countries.

SPECIAL RATES FOR CHURCHES

- **Forming Partnerships with Churches, Community Groups and Schools.**
