

Vision for the Vulnerable

Vision for Vulnerable is an event that aims to bring together people who have a heart to serve and love the vulnerable in the city of Bristol. It is time for those who are on the front line working with the vulnerable to share what has been going on in their field of work, to encourage one another of the breakthroughs we are seeing and to come together in prayer. Our vision is not only to gather together and pray but to empower one another to know the best and most appropriate ways of supporting the vulnerable on a daily basis. We would love to invite to join us as pursue God's heart and support the incredible work that is going on in our City for 2018.
