RELEASE ACADEMY

Release Academy is a 9 month, hands-on ministry training school run by LoveBristol Church. Based on the Bethel School of Supernatural Ministry, our primary aim is to equip students to be naturally supernatural everywhere they go irrespective of their background, vocation or age. This means learning to walk in the supernatural power of the Holy Spirit full of love, integrity, confidence, and honour.

Release Academy is designed to be a ministry training centre where our students embrace their true identity in Christ, learn the values of a Kingdom culture and walk in the authority and power of the King. It is an extremely fast-paced season of schooling but the training will equip students for a powerful and fruitful life and ministry.

DURATION // We have a full time and a part time course available. Our full time day school runs Tuesday - Friday from 10am - 4pm, and our part time evening course runs every Wednesday from 6-10pm. The course runs from September to May.

COURSE CONTENT // Content is taken primarily from Bethel's School of Supernatural Ministry (BSSM) in DVD format, with regular speakers including Bethel alumni and leaders from across the city. Lessons are supported by discussion and activation, book reviews and mentoring. Release Academy hold two retreat weekends away and a mission trip, and students are invited to participate in other trips throughout the year.
