Clifton Suicide Prevention Bristol

Dear Church Family,

I have recently started an organisation to prevent the loss of life through suicide but I need your help!

We are a team of volunteers that patrol the banks of Clifton and surrounding areas to listen and care for those in a crisis. We also attend different events throughout the year in Bristol to raise awareness of suicide and how to help in an emergency.

If you are unable to patrol, you may be interested in praying at our base for us?

There is so much to get involved with, we would love to meet you and welcome you along to join us. Full training provided
