

# Science and Faith in the Local Church

9 - 10 January 2019: Cambridge

20 - 21 February 2019: Bristol

13 - 14 March 2019: Manchester

£50 including a light lunch

A professional workshop aimed at church leaders, lay or ordained, and those in training. Each workshop will cover contemporary hot topics in the dialogue between Science and Religion as well as how to engage with Science and Faith in the local Church and pastoral approaches to Science-Faith issues. Register by visiting our website:
