# Main Speakers

*Wes Hall was part of the leadership team of International House of Prayer, Kansas City for 16 years. Formerly a lawyer, Wes now focusses his energies on working to see a culture of prayer established throughout the body of Christ globally. He has a passion to see God's people gain a clear understanding of their identity that would overflow in lives of radical obedience to Jesus in every area of society.*

*Pablo Perez is a worship leader, worship recording artist and author who led the Worship School at IHOP for a number of years. His ministry focus is Isaiah 61:1-3: to do what Jesus did. Originally from Argentina, he lives in the USA.*

## Hosts

*The Prophetic Mentoring School Bristol was formed by Liz Evans in response to a word from God to birth a Prophetic Movement that goes beyond skills and good practice, before God in prayer and into the world on mission.*

*The Mentors have Prophetic ministries with an International reach and Snr church leadership experience, they are journeying together to equip the body of Christ to impact the world.*

*Woodlands Church is hosting the Prophetic Mentoring School Bristol to provide a loving space where prophetic people can be equipped to reach their destinies, and to support the growing Prophetic outreach communities.*

## Worship Leaders

April Ballard and Mark Reid are worship leaders based at Woodlands Church, Bristol, with a wider reach working into organisations like David's tent.

They have an extraordinary partnership in being sensitive to the Holy Spirit in worship, and are writing together, singing the songs of Heaven to the church and the praises of God from His people.
