Additional information

Bristol Christian Mens Network

Bristol Christian Men's network is bringing Christian men in the city together, to combine our faith and resources, to see our city returning to its great heritage of serving Jesus. We share our events and resources to offer support and encouragement to all Christian men in our challenging world.

Kingsman Christian Men's Mentoring program

The "Kingsman Mentoring" program is a unique Christian men's mentoring program that reaches and ministers to

- (1) married men,
- (2) unmarried men and
- (3) youthful teenage young men

This is a practical mentoring program for us to use with the men in our churches. It brings men together to outline biblical principles of the Christian life, specifically for men. It does this through a combination of the study of Christian lifestyle principles, biblical characters, biblical text, and practical activity.

This usually takes the form of a get together for 1 hour, once a week, (or once a fortnight) interspersed with social events.

In a society where there is a distorted the image of role and place of men, fathers and husbands, the resulting confusion and lack of direction is all too evident. This program addresses God's plans for man's purpose and place in society, whilst highlighting key areas of conflict and downfall.

Every mature Christian man who has been involved in the program, has endorsed the significant impact it has had in defining their purpose and existence, whilst giving Godly direction to their lives.

To quote one senior pastor **"This program/ministry is running desperately late".**

To quote another man **"if had read this 1 year ago my wife would still be alive!"**

In summary this program is desperately needed for Christian men and indeed all men, particularly in today's world.

Quotes from one of the program's key resources:- "Maximized Manhood by Ed Cole"

"To be male is a matter of birth, being a man is a matter of choice"

"Maturity doesn't come with age but the acceptance of responsibility"

"Balance is the key to life"

"To reach your family, God looks to you"

"Men are God's methods. While men look for better methods, God looks for better men!"

Finally, this program has the potential to bring Christian men of all ages and men of influence together, to give men a renewed understanding of God's plan and purpose for their lives and bring about the turn-around desperately needed in our modern world.

Introduction program (on-line)

There will be two introductory zoom sessions.

These will briefly outline the materials used and the structure of the program. There will also be opportunities to take part in the training program, to prepare you to use the program to mentor the men whom you know and who want to grow in their faith.

Costs - There are no financial cost to be being involved, but there is a cost of the necessary commitment and desire to see men fulfilled in their God given potential, outworking the God's plans and purposes for their lives.

The material, the resource books used, are from CMN - the Christian Mens Network, but can be purchased at various sources over the internet (inc Amazon) allowing you to get them at the best price.

Introduction & session 1 - Tuesday 30th November at 8pm,

Session 2 & leaders training Tuesday 7th December 8pm

- An introduction to how to use the material and run a session

Zoom ID - 316 740 8513

PassCode - Br1stl
