**Jenny grew up in South Africa with a strong sense of injustice during the
Apartheid era. As a trained theologian she worked in the
Anglican Church in Cape Town.**

She will share a vivid experience with the Lord and also some amazing healings.

Jenny is a visionary and has encountered the angelic realm.

She also hears the Lord clearly and teaches his word effectively.

**Jenny has prayed for thousands of people over the last 40 years and seen their
lives transformed by God in body, mind and soul.**
