HIRING

LEAD PLAY WORKER

Sea Mills Community Initiatives (SMCI) is seeking an enthusiastic and dedicated Lead Play Worker to deliver weekly 'open access' play sessions for children and young people aged between 4–16 in Sea Mills.

These sessions have been developed in partnership with The Scrapstore Bristol, who will continue to offer training and support.

Active sessions run on Wednesdays after school (3:30–5:30pm) and during school holidays (excluding Christmas) on Wednesdays 12:00–4:00pm.

As the Lead Play Worker, you will be responsible for creating safe, inclusive, and stimulating play environments while building relationships with children, families, and the wider community.
