

Christian Meditation Retreat

This year's Christian meditation retreat in the West of England may be of special interest to people new to meditation as a way of prayer. Entitled "Developing the Contemplative Mind" it will be at the lovely venue of Ammerdown, near Radstock, 18th to 20th September.

It will explore contemplative experience with a beginner's mind.

(As Thomas Merton believed, we are all, always, beginners in the spiritual life)

The World Community for Christian Meditation is a contemporary, ecumenical, contemplative Christian community. For retreat details go to <https://wccm.uk/events/southwest-2026-community-retreat-developing-the-contemplative-mind-going-deeper/>
